ABOUT THE COLLEGE

KLE Society's Degree College, Nagarbhavi, an offshoot of KLE Society, is renowned for outstanding excellence in innovation, research and discipline. With excellent infrastructure enriched with audio-visual facilities and digital prowess, we assure students a unique learning experience with purpose for hands-on education.

ABOUT BCA

Bachelor of Computer Application is a favourite option for tech aspirants. The program aims to bridge the gap between the IT industries and the institutes by imparting in depth knowledge of cutting edge technologies and thus producing the most diverse talents to the students opting BCA. We, at KLE BCA Nagarbhavi, are committed towards equipping students with technical skills to ensure a bright and secure future.
